**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and very much support broadband competition. I have had Sonic service for several years and am happy with both the internet service and the customer service.

Sonic also covers the cost of my landline, which I use rarely, so its nice not to have to pay extra for it.

Without Sonic I would be stuck with just two high-priced providers. Please dont cater to the likes of Comcast and AT&T.
